

Gaming Ideas and Rules Around Fundraising

We get a lot of questions around fundraising ideas that involve gaming regulations, so we thought we'd take the chance to answer all your questions in one place and provide a few ideas! If you are interested in learning more we found [this document](#) to be a great resource!

Events that are NOT considered gaming:

- > Silent & Regular Auctions
- > Door Prizes (i.e. an admission ticket into an event is used as one entry, no additional entries may be purchased)
- > Promotional Contests

Events that ARE considered gaming and will require a license:

- > Draws
- > Raffles
- > 50/50
- > Poker

Please review the Gambling Event Licence Fundraising on the Government of British Columbia's main website: <https://www2.gov.bc.ca/gov/content/sports-culture/gambling-fundraising/gambling-licence-fundraising>

The following three elements must be present in your event or initiative to require a gaming license ...

1. Consideration – meaning players must pay or exchange something of value to be eligible to participate.
2. Prize - includes awarding money or anything of value.
3. Chance – meaning the outcome is not pre-determined or determined solely by skill.

If you have a great idea that you are unsure of please come talk to us! If you need ideas outside of your great idea that you are sure falls under gaming please come talk to us! If you have any questions at all please connect with Corra-Rose (604)780-8299 or corrarose@powertobe.ca.
